Our History

The buildings that house Rubaiyat were built in the early 1890's. The original stores housed everything from a mail order dry goods store to a ladies' ready-to-wear boutique.

In the early to mid- 1900's, the buildings housed a jewelry store, a hardware store, and the original Donlon Drug. The upstairs was also a speak-easy during prohibition. In the 1950's, Bill Brickley opened a five and dime store which he sold in the 1960's to Ben Franklin Stores. The buildings were combined into what you see now as one storefront. After the Ben Franklin closed in the early 1990's, the building housed an office supply store, an antique store, and a dollar store.

After Rubaiyat purchased the building in 2007, the original tin ceiling was exposed as well as the brick walls.

The front doors are the original doors that were found upstairs during the renovation. Now, at Rubaiyat, we hope that you sit back and enjoy the history and work of art that we have created here in Decorah.

We are proud to partner with local farmers and artisans throughout the year whose efforts help inspire our vision:
