Paying by cash or check is a great way to support us! As a small business, we greatly appreciate it, so please consider this option tonight and throughout the year.

Our Story:

The buildings that house Rubaiyat were built in the early 1890's. The original stores housed everything from a mail order dry goods store to a ladies ready-to-wear boutique. In the early to mid- 1900's, the buildings housed a jewelry store, a hardware store, and the original Donlon Drug. The upstairs was also a speak-easy during prohibition. In the 1950's, Bill Brickley opened a five and dime store which he sold in the 1960's to Ben Franklin Stores. The buildings were combined into what you see now as one storefront.

After the Ben Franklin closed in the early 1990's, the building housed an office supply store, an antique store, and a dollar store. When Rubaiyat purchased the building in 2007, the original tin ceiling was exposed as well as the brick walls. Now, at Rubaiyat, we hope that you sit back and enjoy the history and work of art that we have created here with our small, locally owned, family business. Join us again soon!

Cheers, Andy & Kim
